Answering God's call to love

Messiah ENewsletter for September 4, 2024

On the web... go to messiahlutheranmqt.org for more information about our congregation and “like” us on Facebook to receive updates and information there.

Messiah Lutheran Church seeks to be a welcoming community for all people. This includes people of every race, ability, sexual orientation and gender identity, ethnic background, economic grouping, religious affiliation, and political persuasion.

We do this simply because God created all people in God's own image and Christ Jesus came so all people might have abundant and eternal life.

*We may not always be as welcoming as we should be,
but this is our intention—all are welcome!*

As always, all are welcome to come and learn about God's love at any time. Teachers will always have registration forms in their classrooms, but we appreciate you signing up beforehand so that we can know numbers and a little more about your child.

Messiah's Bell Choir

Rehearsals of the Messiah Handbell Choir resume on September 9. Please come and be part of this exciting musical group. We practice from 6:00 to 7:00 each Monday. Some come at 5:30 to assist with setup. We are part of the life of this congregation and plan to participate in the 8:30 and 10:30 worship services once or twice each month.

We welcome beginning and veteran ringers. Come if you are curious about how the bells work. This may be the place for you.

Budget and Giving Update

Messiah's ministries, our worship, our outreach, and all that we do, relies on your generosity. Your gifts of money, time, and talent make it possible to do what we do and to dream about what is next. Year-to-date we are behind on the financial support that you so generously give. This is especially true for the late Spring and Summer. After a summer break, our Finance Committee met and wants to provide you with an update on our current numbers. If you are behind on your giving, have not given, or can give a little extra, we prayerfully ask that you consider sharing what you can. We will continue to update you monthly and are hopeful that our financial situation will improve. If you have questions, please don't hesitate to reach out to our Parish Accountant, Mike Hill, or to Pr. Andrew.

-Income through July: \$54,779 behind budget
-Underspending budgeted expenses through July: -\$35,255
-Current deficit through July: \$19,524 (income deficit minus underspending)
To meet our 2024 budget, Messiah needs an average monthly giving income of ~\$50,000.
Thank you for your continued generosity! - *Messiah's Finance Committee*

Centering Prayer

"Thy Will be done."

Am I the only one who has trouble deciphering God's Will?

I began a meditation practice many years ago, not to develop any kind of relationship with the Creator, but to relieve my own stress. I understood, however dimly, that when I was in stress, I did not behave in the manner that connected me to my fellow humans.

As my practice continued, there were miraculous times when an internal Voice helped me to perceive situations differently. This led me to behave differently. My thinking became clearer, and my relationships improved. As a person who had been raised in a home of a believer, I identified the Voice that became available to me from meditation as the "Holy Spirit" or the "Christ" or "God" or "Atman" or the "Buddha within". All these are, to me, naming the same mystery.

The better I behave, the closer I get to sometimes doing the "will of God." And the closer I come to doing God's will, the more I like life. The more I have trust that things can be worked out; that we will learn that we are all part of each other and of God. I go to centering prayer

twice a day now to fill up my well of Divine Love and Wisdom. It happens because I turn down my thinking, and just listen to the stillness. "Be still and know that I am God."

The practice is simple. Have the intention to consent to God's Presence and action within and then, turn down the personality's thoughts. Keep turning down the volume of the worldly "self" and listen to the Voice for God. In that way, I believe that God's will becomes clearer and following God's will is the key to a vibrant and peaceful life.

Aging U P Series (3 parts) is coming to the Marquette Senior Center! This exciting, up-beat, motivational presentation helps us to embrace aging by being active physically, socially, and mentally. Licensed speech pathologist Chris Harkness, MS-CCC-SLP, will be offering cognitive assessments for senior citizens as well. In addition, she will be offering part one of her Aging U.P. presentation on September 4th from 1:00 – 2:00 pm at the Marquette Senior Center, 300 W. You will learn more about the benefits of positive attitudes toward aging, learn ways to improve your decision making, and your memory. “I know this is scary for a lot of people,” Harkness said. “Time and time again, I hear, ‘I just don’t want to know.’ And yet, the vast majority of people I evaluate do very well.” Results are provided at the time of testing, and you receive a written summary for your records that you can choose to share with your doctor. Seniors are encouraged to take this test at age 60 or one year after retirement.
